

# Wytheville Community College Educational and Scholarship Foundations

## *Historical Report*

December 2008

Dear Supporter of WCC:

It is our pleasure to present you with this historical report of the generous support of friends of the Wytheville Community College Educational Foundation and the Wytheville Community College Scholarship Foundation. The Educational Foundation was established in 1981 and the Scholarship Foundation in 1998. Together, these foundations have provided over \$1 million in scholarship awards to help deserving WCC students achieve their dreams, not to mention \$1.5 million for the William F. Snyder Auditorium, as well as substantial support for new academic programs, college projects, faculty and staff professional development, and many other activities.

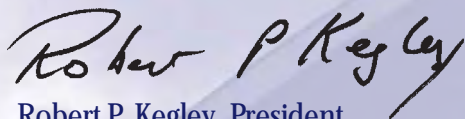

This report highlights the recently completed “Forging Futures” Capital Campaign, the first such campaign ever undertaken in the history of WCC. It also features reminders of some of the historical achievements of the foundations. Obviously we have not been able to include information about every project, but we plan to begin printing an “annual report” in coming years that will allow us to continue sharing information about additional foundation support of WCC programs and activities.

Also included in this historical report are current financial statements from both foundations and a historical listing of all contributors to the foundations since their respective inceptions through June 30, 2008. Listings do not reflect outstanding pledges.

We have also included lists of former members of the Boards of Directors of the WCC Educational Foundation and the WCC Scholarship Foundation, as well as foundation directors. Please note that every effort has been made to ensure accuracy regarding all information provided. If we have inadvertently omitted any information, we apologize and ask that you contact the Foundation Office (276-223-4771) so that we may update our records.

On behalf of the Boards of Directors, please accept our sincerest appreciation for the generous support that you have provided. We hope that you will enjoy reminiscing with us as we celebrate our successes in serving our students and communities. We also hope that you will continue to be involved in the life of WCC for many years to come.

Sincerely,

Robert P. Kegley, President  
WCC Educational Foundation  
Board of Directors

Carl Richardson, President  
WCC Scholarship Foundation  
Board of Directors

## WCC President's Message

### Dr. Charlie White

When I learned two and a half years ago that I had been selected as the President of Wytheville Community College, I was ecstatic. To think that a kid from a family of nineteen children who grew up in the coal fields of Southwest Virginia could become a college president was hard to believe. But that's what happened. And that's what community colleges are all about—making dreams come true and forging brighter futures.

Wytheville Community College has a strong tradition of providing high quality educational opportunities to our communities, and I fully intend to uphold that tradition. My goal as president is to encourage students of all ages to take advantage of the wonderful opportunities available at WCC. Whether students want to complete a two-year degree and go straight to work, complete a general education program and transfer to a four-year college or university, or just take a few classes to upgrade their skills, I want WCC to serve them.

The recently completed "Forging Futures" Capital Campaign raised over \$3 million in private support to help WCC continue serving students. Many of the funds received were designated for student scholarships which are always needed. Additional monies were raised for the William F. Snyder Auditorium Complex, which will provide much-needed space for WCC's Drama Department, as well as other instructional and meeting areas. This campaign reminded us all of the tremendous support the college receives from our communities, and we are sincerely appreciative of that support.

This special historical report highlights many exciting things that are happening at Wytheville Community College. It also attempts to recognize the individuals and businesses that have so generously supported WCC through gifts to the Wytheville Community College Educational Foundation since the Foundation's creation in 1981, as well as recognize gifts to the newer Wytheville Community College Scholarship Foundation.

While I am still relatively new to WCC, please know that I appreciate the support the college receives from the communities we serve. I pledge my support in helping students get an education and developing a stronger regional workforce. Together, we can continue forging brighter futures.

*Charlie White*

# “Forging Futures” Capital Campaign Overview

In the spring of 2002, as Wytheville Community College was preparing to celebrate its fortieth anniversary, the leadership of the College came to the conclusion that WCC would have to seek substantial private contributions to meet the needs of the College as it aspired to improve and flourish as a first-rate community college. Through the College’s strategic planning process, \$25 million in unmet needs were identified that were beyond the scope of the College’s traditional revenue sources.

Carolyn Frazier Sanders provided a gift of \$300,000 toward the construction of an auditorium and pledged an additional \$300,000 as a dollar-for-dollar match of gifts received from other private donors. The opportunity provided by Sanders’ gift and the magnitude of the College’s needs prompted a determination of whether a major gifts campaign was feasible and advisable.

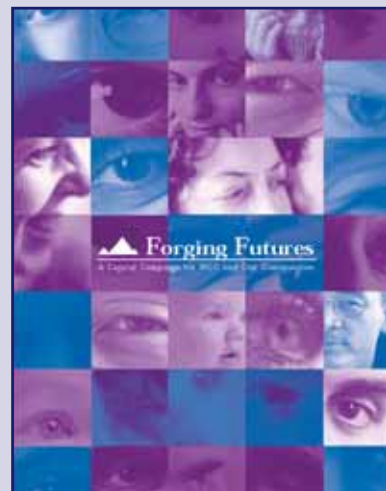

Having no experience with a major gifts campaign, the WCC Educational Foundation retained the Clements Group, the leader in community college development, to conduct a broad-based feasibility study. The study concluded that community attitudes toward the College and a major gifts campaign were extremely positive. This was particularly true if the College were to make certain tactical adjustments to the “Case for Support” and take steps to inform regional leaders of the campaign’s powerful

potential to drive economic development and enhance quality of life.

The College identified and outlined the five most critical College needs. These included the *Appalachian Center* with the Snyder Auditorium, *New Programs for Better Jobs*, *Remodeling Classrooms and Laboratories*, a *Student Center*, and *Establishing Endowments*. A team from Clements then conducted private, confidential interviews with 89 influential and affluent community and College leaders. Interviewees were asked to give their perceptions of WCC, the administration, faculty, staff, and Board members, as well as their opinions about the five identified critical needs. The study also sought information concerning the amount of money that could be raised, the timing of the campaign, and potential campaign leaders and

volunteers. Dr. Len O’Hara, Executive Vice President of The Clements Group, reported its findings to the Foundation Board in August 2002.

Based on the Feasibility Study findings and current research available on post-secondary

The cover of the “Forging Futures” Capital Campaign booklet featured a distinctive design.

education, the Clements Group recommended Wytheville Community College proceed with a 20-month major gifts campaign. The first eight months were devoted to training, preparation, and an internal campaign. During this period, then WCC President Ann Alexander engaged in one-on-one meetings with regional leaders. In the meantime, the projects were modified to conform to a preliminary goal in the range of \$7-\$9 million in gifts to be received over a five-year period.

The revised capital campaign projects became:

- *Equip Workers for a New Economy*
- *Overcome Health Care Worker Shortages*
- *Enrich Cultural Opportunities* and
- *Build Accessibility for All*

**Thomas M. Jackson, Jr.** Lacy, then WCC President Ann Alexander, and other Board members contacted numerous prospective donors and secured many campaign pledges. Robert P. Kegley subsequently chaired the “Advanced Gifts Committee” that also helped secure support for the campaign.

The “Forging Futures” Capital Campaign was born. With former state delegate Thomas M. Jackson, Jr. leading the team as General Campaign Chair, a host of volunteers was organized, including “Lead Gift Committee” Tri-Chairs Ruth Anne Chitwood, Richard “Dick” Phillippi, and WCC President Emeritus William F. “Bill” Snyder. Jackson and the Tri-Chairs enlisted Reed Counts, William M. “Bill” Dixon, Jr., Henderson Graham, C.W. “Buck” Higgins, Jerry Horn, Robert P. Kegley, Steve Lester, Sr., Pat McClane, Edmund Pendleton, Jr., Phyl Snapp, and Cameron Wolfe, Jr. These volunteers, along with WCC Educational Foundation Board President Charles C. “Chuck”

This photo and a quotation by Ruth Anne Chitwood were included in the Campaign booklet. Chitwood, William F. Snyder, and Richard “Dick” Phillippi served as tri-chairs of the Lead Gift Committee of the capital campaign.

dressing rooms, named in honor of Bill and Rita Dixon. Additionally, there will be stage wing space, a catering kitchen, restrooms, and storage area. A practice room for the WCC Concert Band will be designated near the complex and will be named in honor of Counts Drug.

The first phase of the William F. Snyder Auditorium—a renovation of the former Grayson Commons—is almost complete, and the second phase—an addition to Grayson Hall—is scheduled for completion during 2009.

The lobby of the Snyder Auditorium will be named in honor of Robert Eley and Jane Johnson.

## *Foundation Highlights, continued*

### *Chitwood Nursing Lab and Chitwood Educational Endowment*

Through an extremely generous contribution from the family of Dr. and Mrs. W. Randolph Chitwood, Sr., WCC opened the “Chitwood Nursing Lab” in Fincastle Hall in November 2007. The new lab provides a “real world” environment in which to teach students enrolled in WCC’s Nursing Program. Students have access to state-of-the-art simulation equipment that provides outstanding educational training opportunities.

In addition to funding this project, the Chitwood family has a long history of support for the college. Ruth Anne was appointed to represent Wythe County as a member of the WCC Local Board from 1974 to 1985. She holds the distinction of being the first woman to serve as Chair of that Board. She was also a charter member of the WCC Educational Foundation Board of Directors, and served on the Foundation Board for 15 years.

Dr. W. Randolph Chitwood, Sr. was a well-respected physician and an accomplished local historian. In 1998, the Chitwood family established the “Dr. and Mrs. W. Randolph Chitwood, Sr. Educational Endowment” that supports the WCC Kegley Library. In 2002 the family donated a large portion of Dr. Chitwood’s local history collection to that library which is a valuable resource for local historians and genealogists.

Throughout the years, Ruth Anne has been recognized for her commitment to community college education. She received the WCC Distinguished Service Award in 1992, and in 1999 she received an Honorary Associate Degree in Humane Letters from

Pictured (l-r) are: Tamara Chitwood, her husband Dr. W. Randolph Chitwood, Jr., Ed Chitwood, Dr. Charlie White, and Ruth Anne Chitwood.

WCC. In 2004, she was awarded the Presidential Medal of Merit for her tremendous support of the college.

### *The Norene Holston Endowment Scholarship*

The “Norene Holston Endowment Scholarship” was created in June 2005 with a gift from the estate of Norene Holston in the amount of just over \$314,000.

**Norene Holston** Holston was a counselor at Wytheville Community College from 1968 until her retirement in 1984. Prior to coming to WCC, she had served as a public school teacher and administrator in West Virginia. While at WCC she was a strong advocate for students. Holston passed away in 2003, leaving the bulk of her estate to WCC.

## *Foundation Highlights, continued*

Holston's gift was the second largest private donation from an individual received to date by the WCC Educational Foundation. Interest earned from the investment of the funds provides scholarship awards to worthy students attending WCC.

### *Campbell Endowment Supports Professional Development at WCC*

The "Archibald A. 'Archie' Campbell Memorial Endowment," established in 2004, provides funding for professional development opportunities for WCC faculty and staff.

Campbell was a well-known and well-respected community leader who was a long-time friend of WCC. He was instrumental in securing initial funding to create the College. As a delegate in the Virginia General Assembly from 1966 until 1983, Campbell was largely responsible for gaining financial support for the construction of Galax and Grayson Halls. He also worked to help the college acquire 38 acres of land adjoining the initial campus to ensure sufficient space for future growth and development.

Archibald A. Campbell

In 1981, Campbell was instrumental in securing the significant contribution that resulted in the establishment of the WCC

Educational Foundation, Inc. He continued to support the Foundation financially, and for many years volunteered his legal services to donors wishing to make gifts to the Educational Foundation.

Through his long affiliation with WCC, Campbell understood the need for faculty and staff to remain current in their respective fields. The Campbell family and friends continue to support this memorial endowment.

### *The Richard W. Greiner Endowment*

Long-time WCC friend and supporter Richard W. Greiner established the "Richard W. Greiner Endowment" in April 2005 with an initial gift of over \$10,000. This endowment provides unrestricted funds to support WCC and the WCC Educational Foundation, Inc.

Greiner, an alumnus of Rural Retreat High School, received a Bachelor of Science degree in Chemistry from Virginia Tech and a

## *Foundation Highlights, continued*

Master of Science degree in Chemistry from Canisius College in Buffalo, New York. He was employed in the chemical industry for 39 years. Upon retirement, he returned to Wythe County. From 1984 to 1991, he served on the WCC College Board. During his tenure on the College Board, he was an active leader and member of many committees and was elected by his peers to serve as a member of the three-person Executive Committee. Greiner also served on the WCC Educational Foundation Board of Directors from 1991 to 1997. In 1997, Greiner received WCC's prestigious Distinguished Service Award in recognition of his dedicated service and leadership to WCC. He was awarded an Honorary Associate Degree in Humane Letters from WCC in 2007.

The "Richard W. Greiner Endowment" provides support for various projects and activities as designated by the Educational Foundation Board of Directors.

### *The Tom Bralley Memorial Endowment*

As a memorial tribute to Thomas A. "Tom" Bralley, Jr., First Bank of Virginia hosted a special reception during November 2007 to raise funds to establish the "Thomas A. 'Tom' Bralley, Jr. Memorial Scholarship Endowment." The event and subsequent fund-raising efforts secured over \$9,000 for the endowment,

Tom Bralley

which will provide scholarships to non-traditional WCC students enrolled in Business Management and Administration, or Marketing.

Bralley worked for over 30 years in the banking industry, and was serving as a Regional Executive with First Bank of Virginia at the time of his death in October 2006. Bralley was a strong supporter of WCC and the entire community. He was an adjunct faculty member who taught banking at WCC for over twenty years. In 2006, he received the "Chancellor's Award for Workforce Development." Bralley frequently served as a volunteer for the WCC Educational Foundation and helped establish the "First Bank of Virginia Scholarship Fund" during the College's capital campaign.

### *The Gary Laing Memorial Endowment*

The College mourned the loss of long-time WCC family member Gary Laing in November 2007. Laing's family established the "Gary Laing Memorial Scholarship Endowment," with family and friends donating over \$10,000 to provide scholarships in Gary's memory.

Gary T. Laing

Laing came to WCC in 1971 as an instructor of Environmental Technology, and he was serving as Chair of the Engineering Technologies and Math Division at the time of his retirement in January 2002.

In 2003, he was the recipient of the prestigious Distinguished Service Award. In 2006, Laing was named Professor Emeritus.

# Scholarships: Helping Students Forge Brighter Futures

A major focus of the WCC Educational Foundation and the WCC Scholarship Foundation is providing scholarships to deserving WCC students to help them reach their educational goals.

## *Scholarship Facts:*

- Foundations manage over 100 scholarship endowments and funds.
- Annual scholarship awards in recent years have averaged \$100,000 per year.
- Average scholarship amounts are between \$400 and \$500.
- Minimum award amount for a full-time student is generally \$300.
- Foundations receive approximately 400 applications each semester for the 150-175 available awards.
- Scholarships may be applied toward tuition, textbooks, or other educational expenses as designated by the donor.
- Many scholarships are established in honor or memory of loved ones.
- Most scholarships are awarded based on documented financial need.
- Donors may set scholarship criteria:
  - ◆ Students from a particular geographic area of the WCC service region
  - ◆ Students enrolled in a particular curriculum
  - ◆ Students with a specified grade point average

Retired WCC  
counselor  
Norene Holston  
generously  
bequeathed  
funds to establish  
the “Norene  
Holston  
Endowment  
Scholarship.”

“Without this  
scholarship, I  
would not have been able to afford my  
college textbooks,” said Whitney Grubb, a  
current WCC student. “I’m thankful to be  
a part of Miss Holston’s ongoing legacy.”

Misty Hollar of Max Meadows and her husband, Derek, both received scholarships through the Neighborhood Assistance Program Scholarship Endowment. "My husband and I are both full-time Wytheville Community College students," said Misty. "We know that we both need a good education to be able to provide for our growing family. We are very grateful for the scholarships we received and for the wonderful opportunity to make life better for ourselves and our children."

# Wytheville Community College Facts

- WCC is a member institution of the Virginia Community College System.
- WCC is the college of first choice of students in the 2,000-square-mile WCC service region.
- WCC serves the citizens of Bland, Carroll, Grayson, Smyth (Marion and eastward), and Wythe counties, and the City of Galax.
- WCC employs 117 full-time faculty and staff, and over 131 part-time faculty and staff.

## Enrollment

- WCC enrolls over 4,300 students annually in credit courses.
- Student residency (Fall 2007)

Bland County	5%
Carroll County	23%
City of Galax	9%
Grayson County	14%
Smyth County	11%
Wythe County	27%
Other Localities	8%
- WCC's student-to-faculty ratio is 18:1.
- Student gender: 62% female, 38% male
- In Spring 2008, WCC conferred over 600 certificates, diplomas, and degrees to our graduating students.
- The top 5 four-year institutions to which our students transfer are Old Dominion University, Radford University, Virginia Tech, James Madison University, and the University of Virginia.

## Student Snapshot

- The average WCC student is a female in her mid to late 20s who is employed at least part time and attends classes during the day as a part-time student.
- 30% of WCC students are full time and 70% are part time
- 77% of WCC students are the first members of their families to attend college
- 62% of WCC students receive financial aid.

## Graduate Success

- 95.3% of WCC's recent graduates are employed or continuing their educations.
- 93.2% of recent WCC graduates work within 100 miles of the college, forming the core of the workforce for area businesses and industries. They are among the most skilled and valued workers in the region.
- 96.2% of recent WCC graduates say they would recommend the college to prospective students.

# Ways to Give

Charitable gifts to the WCC Educational Foundation or the WCC Scholarship Foundation are investments in the future of our students, our workforce, and our communities. There are several ways to make gifts:

## *Outright Gifts*

- Cash Gifts
- Appreciated Stocks and Bonds
- Gifts of Real Estate/Personal Property
- Gifts of Equipment, Materials, and Services
- Memorial/Honor Gifts
- Matching Corporate Gifts

## *Planned Gifts*

- Your Will
- Life Insurance
- Your Retirement Account
- Deferred Gifts
  - ♦ Charitable Gift Annuity—You may give the WCC Educational Foundation a gift of money, stocks, bonds, or other liquid assets, and the WCC Educational Foundation will pay you or a beneficiary a fixed amount on a regular basis until death. A large part of this income is tax free, and you also receive a charitable deduction for part of the gift. This is appropriate for gifts in the \$5,000 to \$50,000 range.
  - ♦ Charitable Remainder Trusts—By transferring assets to the WCC Educational Foundation to establish a trust, you or a beneficiary receives a lifetime income. Eventually, the remaining assets of the trust pass on to the WCC Educational Foundation. This gift works well if you need income now. This is appropriate for gifts of \$50,000 or more.
  - ♦ Charitable Lead Trusts—You may transfer assets to a trust for a fixed number of years. The interest earned will go to the WCC Educational Foundation, and later the principle will go back to you or your beneficiaries. The gift works well if you do not need current income and want the asset to go to a beneficiary. You may claim a tax deduction for making a lead trust gift.

The WCC Educational Foundation and the WCC Scholarship Foundation welcome gifts of all types and will work with you and your financial advisor to maximize the tax benefits for you. We are grateful for your support. For more information about ways to help Wytheville Community College, contact

## **Wytheville Community College Scholarship Foundation, Inc.**

The Wytheville Community College Scholarship Foundation, Inc. was established in 1998 to receive, manage, and distribute funds donated through the Neighborhood Assistance Program. These funds establish and strengthen the Neighborhood Assistance Act Scholarship Endowment for the benefit of economically disadvantaged students attending Wytheville Community College. Students receiving awards must meet income guidelines established by the Virginia Department of Social Services. The WCC Scholarship Foundation applies annually for state tax credits allocated for the Neighborhood Assistance Program. When awarded, the Foundation is able to provide a special 40 percent state tax credit to individual donors who make cash contributions of at least \$500 and are also available to business donors who contribute at least \$1,000. All donations are placed in a single endowment to provide scholarship awards to qualified WCC students.
